From the editor.....

Happy New Year!

In April?

Yes! We are starting our second year in print! Thank you for being a loyal reader and THANK YOU to everyone who has contributed and helped make this ~~newsletter~~ magazine such a success. We all make one heck of a good team!

We have some changes going into the new year. First, we now cover North & South Carolina, Virginia, Georgia, and Eastern Tennessee. Please let me know if you know of a club that holds events in these states or someplace I can watch for events or training opportunities. I check well over 100 sources each month, but I am probably missing hundreds more.

I revamped the Dock Diving Section. Unlike other sports, Dock Diving has pretty set venues with the same clubs holding the events, so Dock Diving is now grouped by state and venue. This should make it easier for you to plan your dock diving days.

We are now on YouTube and Instagram! I wanted a way to share videos and other visual news. I am planning a series of videos to help Novice A Obedience and Rally exhibitors better prepare for their first shows. These will be loaded onto the YouTube channel. My first feeble attempts have already been uploaded. Do you have a helpful video that we can include? Send it to me, and we will share it on our YouTube Channel! Brags and other mid-month events will be on Instagram. Then the magazine each month will pull it all together.

As always, we welcome suggestions! Some of our best ideas have come from readers like you. Thank you for helping me make the magazine so wonderful!

-Susan Young, Editor
and pups Tripp, Tyler, and Toke

BRAGS!!!

Tim Tedrow reports that last June, he and his Belgian Sheepdog **Colt** shifted from obedience to rally and on Feb 26th they earned a **RACH** at the Carolina Irish Setter Club trail. Tim says "our goal was to reduce travel and have more fun in the ring which we accomplished. We were also able to get 24 master Q's and 20 triple Q's in a row with multiple HC/HTQ along the way. I am super proud of this boy and the way he makes me look in the ring!" Colt is now known as MACH2 RACH UCDX Blackforest's Bone Collector VCD2 TD UDX3 OM4 GO RM2 RAE2 MXS MJS SCN IT *Congratulations!!!*

“TRAIN LIKE YOU TRIAL” OBEDIENCE RUN-THRUS

Train Like You Trial” run-thrus provide an opportunity for you to find out if your dog is ready to compete by giving them a trial-like experience in a ring.

Happy Dogs has two full-sized working rings so your dog will be able to practice while another dog is heeling, jumping, and retrieving in the next ring. There will be people sitting in chairs and dogs in crates around the perimeter of the rings and dog/handler teams warming up and waiting in line just like at a trial.

Location: Happy Dogs is located at 24 Carver St., Wellford, SC (just off I-85 between Greenville and Spartanburg.)

Handler Cues

Hosted by **Happy Dogs Training Center, Wellford, SC**

Donna Brocht, Handler Cues – April 29th

Learning to communicate with your dog.

Handler's Cues - how the cues you use can affect how your dog moves. Presented by Donna Brocht
Competition obedience is a team sport. We often focus on our what "we think" our dog's job should be when heeling and performing other exercises without giving much thought to our own job. But the handler plays the most important role on the team. Handlers should be leaders and coaches.

There is nothing more beautiful than watching a team heel and perform together in the ring. Much of this is accomplished with the use of clear, consistent cues to communicate with your dog in training. [REGISTER](#)

Judy Goldman says "thank you to Judge Nancy Heidt, shown here presenting two Advanced Rally title ribbons for **Liza Jane** (shown) and **Ladd**, her brother of 9 years. Both dogs are home bred, were sold and each reclaimed by me. Their obedience careers began in 2021. In the past 5 months they have each received three titles, Rally Novice, Rally Advanced and their Companion Dog title."

*Congratulations
Judy!
Well Done!*

Melanie Page and golden boy **Cross** earned their CDX Title March 25th at the DOCG trials with a lovely ribbon along with first place! The following day earned a bumper leg with another 1st place. Go team!

*Deep thoughts
from Toke...*

Ma person took me to one of those noisy places again where there are lots of dogs but the same gates and flooring that we have where my besties and I hangout. We had our turn to play and I was so excited that when she told me to wait, I decided I couldn't wait! I love you Ma! I came running which made the guy with the clipboard shake his head and Ma Person shook her head and well.... Oops? A little while later Ma Person rewarded me with my favorite thing: watching videos! I LOVE videos! They are so rad man! Except she made me watch a video about how to stay when Ma Person says stay. Well, that wasn't fun! She said I needed more home schooling. Here is a video of me home schooling:

https://www.instagram.com/reel/CqnDjLDgn8s/?utm_source=ig_web_copy_link

Ma says I should ask you to follow us on Instagram. Don't know what that is. Does it have ponies?

Sincerely, - Toke

New CGC, Trick Dog Testing

When: Saturday, April 29, 2023,

10:00 AM until 12:00 PM

Evaluators will be on hand and ready to administer a CGC & Trick Dog test so you can earn AKC titles.

Our testing is free to those who just finished taking the CGC class or Fun Tricks class.

The purpose of the CGC program is to ensure that our favorite companion, the dog, can be a respected member of the community because it has been trained to be well behaved in the home, in public places, and in

the presence of other dogs. The CGC Program welcomes both purebred and mixed breed dogs. The CGC Test is non-competitive and dogs are not required to perform with the same precision required in formal obedience. *First come first serve for testing.*

Separation Anxiety Monthly Mythbuster

Myth # 3: Your dog is getting back at you for leaving
Can you remember a time when you felt jittery and distressed? Maybe you had a big exam? Or maybe you don't like flying? If you've ever been afraid or anxious you'll be able to relate. The restlessness. The hyperventilating. An upset tummy and need to pee far more than usual.

Your dog is feeling exactly the same way when they're left alone. The behaviors you see are coping strategies for those horrible feelings they're experiencing. Your dog isn't mad at you, trying to get even or tell you who's boss. They're suffering emotional distress and in trying to make themselves feel more comfortable with an absence, they are dealing with it the only way they can.

There is good news! Separation anxiety is treatable; your dog can learn to be comfortable and relaxed while staying home alone. At [The Loose Leash Academy](#), we specialize in separation anxiety cases and are here to help.

What Fruits Can Dogs Eat? (And Which Are Bad for Them)

By Kelly Anne Smith
Forbes Staff
Updated: Apr 3, 2023

Most dog owners know that a balanced and nutritious meal is important to the growth and development of their beloved dog. From puppyhood to adulthood, what you feed your pooch can affect their mental and physical health.

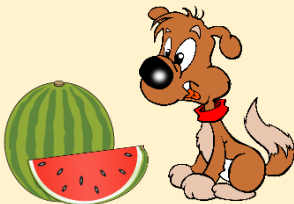

In addition to pet insurance and providing wholesome daily meals, owners can go a step further and add fruit to their dog's diet.

"Fruit contains essential vitamins and minerals that boost a dog's immunity, support metabolic function, aid in hydration and can promote weight loss in small doses," Dr. Sarah Gorman, D.V.M. and managing vet at Small Door Veterinary, a chain of veterinary facilities in the Northeast, wrote in an email to Forbes Advisor.

Instead of highly-caloric pet treats, fruits make a delicious and nutritious morsel.

2023 AKC Farm Dog Events

At Brylin Obedience Specialty School

Farm Distractions and Noise

You never know what you will find on a farm.

Hammering of nails. The sound of a tractor. A tarp on the ground or even a barn cat can be found on the farm. All dogs will need an AKC number to participate.

Your team will be asked to enter the farm area through a gate. Be sure to ask your dog to wait so you can go through the gate first. Then there is a little meet and greet with your evaluator.

Meet the friendly dog will be passing along the corral.

The testing will end with you examining your dog to make sure they are free of any items they may have picked up at the farm.

Horses will be used as the farm animals. They can be found in stalls, corrals or in the arena. You will be asked to feed the horses while your dog is tired to the barn pole.

Your team will be asked to complete loose lead walking in a barn setting. There will be lots of distractions. The barn cat will be glad to say hello

A veterinarian says pets have a lot to teach us about love and grief

NPR's Fresh Air - By Dave Davies

March 13, 2023 2:00 PM ET

Veterinarian Karen Fine continues to be amazed by her patients, despite the fact that she's been in practice for 30 years. Take, for instance, the feral cat she had to capture in a net, who was suffering from an overgrown claw that had punctured and infected his paw pad. "I knew that I could give him antibiotics for the infection, but it wasn't going to stop until I trimmed that claw," Fine said.

Just as Fine was contemplating how to best access the infected paw, her feline patient stretched it out to her through the net, spreading his toes and staying perfectly still. It was as if the cat knew what he needed and was asking for help — which she provided.

"I think there's so much we don't know and understand about animals, she says. "And I think there's a lot that we sort of assume that we know, but that they really have skills and senses that we don't. I feel that I learn from my patients all the time." [READ THE FULL ARTICLE](#)

Evaluators will be on hand and ready to administer a CGC & Trick Dog test so you can earn AKC titles.

Our testing is free to those who just finished taking the CGC class or Fun Tricks class.

The purpose of the CGC program is to ensure that our favorite companion, the dog, can be a respected member of the community because it has been trained to be well behaved in the home, in public places, and in the presence of other dogs. The CGC Program welcomes both purebred and mixed breed dogs. The CGC Test is non-competitive and dogs are not required to perform with the same precision required in formal obedience.

First come first serve for testing.
